Holy Childhood Parish is excited to walk with you as you prepare for your married life in Christ. Your parish will provide a sponsor couple to meet with you during this process.

"Marriage prep class is a rare opportunity for couples to take time to focus solely on their relationship and to hear the joyful and realistic message that marriages can be wonderful and fulfilling lifetime partnerships with each other and with God."

"As couples experience *Today and All the Days of Your Life* it will be the first time many of them have thought of their marriage and themselves as true sacrament. The classes offer the opportunity for them to learn about how they are the outward sign of Christ's love and how their impending marriage affects not only them but their family, friends, and the greater community as well." (Eric and Reba Sullentrup, L.C.S.W. in the Archdiocese of St. Louis.

The classes will take place over four Saturdays and will be held at Holy Childhood Church. For questions and registration, please contact Eileen Thorp @ Holy Childhood Church 231/526-2017, ext.32
